Songs & More

Beach Song

Tune: The Wheels on the Bus

The sun at the beach is shining bright,
Shining bright, shining bright,
The sun at the beach is shining bright,
All through the day!

Additional verses:

The waves on the sea come rolling in
The seagulls up above come diving down
The crabs near the rocks go pinch, pinch, pinch
The sand underfoot goes crunch, crunch, crunch
The kids at the seashore splash and play

Hey Alligator

One alligator in the big green swamp
Her teeth go snap and her feet go stomp
She swims through the water
With a wide-mouthed grin
And calls for another gator to slide in!
Heyyyyyy Alligator!

Five Pink Flamingos

Five pink flamingos standing in a row,
Dancing around and putting on a show.
They danced to the left and they danced to the right,
Then five pink flamingos flew out of sight.

Night Sky Stretch

Stretch like a crescent moon.

Sit cross-legged and gently reach your arm up and over your head, leaning to one side.

Try the other side!

Catch a shooting star.

Sit with your legs out straight. Reach up with one hand, grab a star, and bring it to your toes.

Try the other hand!

Every Child Ready to Read Skill

Playing

For young children, play allows them to develop skills that they will need for the rest of their lives.

Build up your baby's motor skills with tummy time or by holding their hands
while they work on balance and walking.

Help toddlers with new situations by play acting them. Pretend to go to restaurants, the airport, or the store.

Preschoolers can work those problem-solving skills with simple memory or card games.
